Open House Networking

MEET THE PEOPLE IN CONSTRUCTION WHO REALLY COUNT

Events Programme 2007

CONSTRUCTING NETWORKS HAVE MOVED! SEE INSIDE FOR DETAILS

At last! Networking events exclusively for the construction industry

Everyone knows that networking works – but only when you actually get to meet key contacts within your own industry.

All **Constructing Networks** events are held in the early evening, so you don't lose a working day. They are also tightly structured, giving all delegates time to meet every other delegate.

It's your opportunity to meet leading contractors, developers, architects, engineers and project managers, as well as quantity surveyors, specialist sub-contractors, suppliers and other regional industry professionals.

Our **Open Houses Meetings** have a much more *relaxed* feel to them and we particularly encourage those personnel [i.e. **contracts managers, project managers, buyers** etc] who are directly responsible for nominating specialist sub-contractors and suppliers.

There will be **facilitators** on hand too to make sure you get the best out of your evening. Simply highlight those you would especially like to meet and we'll be happy to make the introduction for you.

Following registration, you will be given a welcome drink and platters of sandwiches will be available throughout the evening too. A cash bar is also available.

Numbers are strictly limited to a maximum of just 25-30 delegates.

Don't miss this exclusive opportunity to meet like-minded individuals in your industry.

Register for a Constructing Networks' event today.

Please complete and post or fax your Delegate Registration form together with your remittance to:-
